Let Us Inspire You ...

Welcome to The Vintage Patisserie, where we can turn your tea party dreams into reality. Whether it's a small intimate lunch, or tea for the thousands we promise to transport your guests back to a golden era.

The team and myself have over 40 years of Vintage hospitality experience under our (suspender!) belts and we provide an atmosphere of pure glamour and decadence, infused with impeccable customer service and fabulous food. Your journey starts here and we aim to make it magical right from your first phone call until the last teacup is cleared away.

We understand that no two events are the same and have created unforgettable tea parties for clients, from high-end to high street. We are well practiced at using our creative intuition in bringing your vision to fruition. Our clients include Liberty, Cutler and Gross, Agent Provocateur, Jaeger, Paul Smith CBE, Folli Follie, Revlon, Kim Jones, Myleene Klass, Meg Matthews, Puma and Radley, to name but a few.

Our indulgent soirees, hard work and passion have earned us a huge press following including features in the Sunday Times Style Magazine, Grazia, and ES Magazine.

Strengthened by the huge success of our Vintage Tea Party Book in 2011 we have proudly been named the leader in everything Vintage.

We look forward to this journey and hope the following pack excites your senses and answers a few questions. After reading please do call to discuss your requirements. We are an old fashion team here and like to ensure that every detail is covered.

Food feeds the soul and makes us smile. Here at The Vintage Patisserie we have over 250 recipes to choose from and can cater to any vision. From, breakfast and brunch, to traditional high tea and indulgent evening canapés, we listen to your needs and quote accordingly.

To start you on your way here are our most popular choices:

Custom Cupcakes (for 6)	£15.00

Brand your event with your company logo, photos, prints or sayings. We have a revolutionary printing method, which allows us to print the highest quality images onto white chocolate hearts or circles.

Custom Chocolates (for 24 square or 18 hearts) £24.95

Using the same technology, we can brand your chocolates to create an enchanting bespoke range of delicious delicacies just for you. We often put one in each teacup for a custom surprise, or on a chessboard to create a rather cool custom game. It may be that you wish your guests to leave with a surprise, and in which case we can supply additional packaging for your bespoke goody bags.

Cream Tea (for 12)	£54.00
---------------------------	--------

2 homemade scones per person, individual jam pots and clotted cream.

A selection of hot teas, including our signature organic Lavender Grey are available at £1.50 per person (milk and sugar are always included).

Our glamorous **hostesses** conduct every event with elegance. Every member of the team is handpicked and only true vintage vixens make the grade. Every member undergoes intense training to ensure service is nothing less than magical, making your guests feel that extra bit special.

The not so glamorous stuff

Below are the less glamorous but highly important details you will need to know.

Booking

If you have a date in mind for your event, please get in touch with us. We can hold one date for you with no-obligation to book.

To further secure the date we take 50% of the final fee plus travel costs for anyone based outside of the M25.

Final payment is invoiced the day after the event and we ask you to pay within 30 days of this.

All prices are subject to VAT (No 121 6994 10)

China

The china must be hand-washed and dried. Vintage china is fragile and easily fades, so it is incredibly important that this is respected. We do however offer a washing up service for 20% of the cost of hire.

If you are hiring the china only we ask for payment upfront plus a 15% refundable deposit. Any breakages will be charged at cost and you will receive a separate contract when you place your order to reflect this to ensure there are no unexpected surprises.

Collection and delivery of china is from E8, but we can take the pain away for an extra fee - location dependent.

All prices are for 48 - hour hire.

Styling and props.

Due to the priceless nature of our props, there will be a member of the Vintage Patisserie team at the event at all times. If something is damaged, it will be at the discretion of our staff to discuss the situation with you. We have a full valuation of our hire items to assist with these matters. We hope that our clients are as respectful of our props as we are.

Thank you,
and goodbye xx
